

Sub:- Reg. filling up of CCE Cards.

At huge Government expenditure, we have printed & distributed lakhs of CCE Cards for each and every student from Class 1 to 8 in Government Schools. However, I have noticed during my visit to Government Sr. Secondary School Jharsently, Distt. Faridabad that these Cards for students are not being maintained as directed. Therefore, DEE is directed to get the same checked through DEEOs, BEEOs, Circle Heads etc. and confirm to me within a week whether the CCE Cards for April, May and July during the current Academic Session have been filed up by the concerned teachers or not. In case there are teachers who have not filled up these Cards, they should be charge sheeted under Rule-7 for which draft charge sheet and names of the teachers should be submitted alongwith the reports. This order should also be hosted on the Website of the Department.
