- 9 This re-determination of merit list and adjustment in appointment is necessitated in view of the second interim order of the Hon'ble High Court dated 8.5.2017. This is because the order stipulates appointment on the basis of joint merit list, but limited only to the extent of posts advertised. Thus, for various categories joint merit list has been drawn up, which indicates that (983+242=1225)1225 teachers given/offered appointment in the first instance are no more entitled to appointment as their relative position in the combined merit list does not entitle them for appointment, if it is limited to the advertised number.
- 10 That DEEOs are directed to give appointment to those in merit list who are now higher in merit and will give a notice to those now not entitled and that their appointment is being cancelled w.e.f. 6.6.2017 and that they be asked to give reasons as to why the cancellation of appointment be withdrawn by 9.6.2017, failing which it would be assumed that they have no plea against the said cancellation of appointment. This notice of cancellation of appointment be put up in the office notice boards of DEE and DEEOs concerned and in the Department website.
- 11 That the list of such candidates district wise reviewed/cancelled from 1st list and appointment on the basis of combined merit list is given in annexure 'A' & 'B' respectively.
